

SERVING

Every weekend hundreds of volunteers get together to serve one another and their communities by performing various practical responsibilities that make *changed lives, changing lives* a possibility. There are many opportunities to serve God and others at One Way. We want you to find the one that best suits your passion, personality, and availability.

NEXT GENERATION MINISTRY

- KIDS MINISTRY

Sign up to help at One Way Kids. This is a great opportunity to be involved in the spiritual development of children. Interested volunteers should be partners with One Way or busy with their partnership.

- SHIFT

Contribute your time, treasure and talent as a leader at One Way Youth on Friday nights. Interested volunteers should be partners with One Way or busy with their partnership.

SUNDAY MINISTRIES

- MEDIA

Camera crew

This team is responsible for the visual communication of a worship/church service. This entails operating the camera's and the video switching unit (if required to do so).

Duties include:

Setting up of cameras and necessary equipment, filming worship and church services and special church related events and packing up all cameras and necessary equipment

SERVING

Lighting team

Responsible for creating an atmosphere that facilitates worship, as well as creating the necessary conditions for the camera and production crew.

Duties include:

Operating the lighting desk during worship and church services as well as all church related events

Production Team

This team is responsible for the visual communication of the entire church service. This entails displaying lyrics for the worship team, running slides for preaching, and all other necessary visual communication required by stage personnel.

Duties include:

Setting up and running Pro Presenter, testing all videos, slides and necessary visuals before every worship service or special event and packing up/turning off all production equipment (computers, projectors and UPS's)

- SOUND DESK

Working on the sound desk falls under the Worship Ministry. We believe that good sound creates great atmosphere. Prior mixing experience would be beneficial but not essential as we offer basic training on our mixers.

- SOUND AND STAGE CREW

This team is responsible for assisting the sound person and coordinating all stage related activity.

Duties include:

Managing microphones between stage personnel, maintenance and tidying of the stage (cables, cloths, microphones etc.), managing all accessories and props for preachers and stage personnel, and assisting sound people and the worship team (helping worship leaders with cables, technical issues on stage, in ear boxes etc.)

SERVING

- WORSHIP TEAM

One Way Worship Team is passionate about leading people into God's presence with energy and enthusiasm. We believe in showing adoration to God in our worship, serving people and developing leaders.

Prerequisites for this ministry are as follows:

- You will be expected to audition for the Worship Team
- You must be Baptised
- You must have completed One Way's Foundations Course
- You must be a Partner with One Way Church
- You must attend all Monday evening practices
- There will be a 3-5 month probation where you will serve as part of the sound and stage crew

- HOSPITALITY TEAM

This team ensures that people are made to feel welcome at our services. This is a servant-hearted team that operates behind the scenes to ensure all facilities are properly prepared for weekend services. This team is also responsible for administering 'Breaking of Bread' communion during services.

- ONE WAY CAFÉ

Good coffee and good food are important here at One Way. Sign up for this ministry if you enjoy creating environments for great connection.

- SECURITY

Security minded men are encouraged to assist in a ministry that focuses on the safety and security of our people and facilities during Sunday services.

- CAR PARK

Friendly, service-minded people provide a positive first impression of the church by assisting people in the car park before and after services.

- CONNECT TEAM

Connect Team members connect with people and connect people into the life of the church. They also have the privilege of helping people who want to start the journey of a wholly devoted life to Jesus.

- INFO DESK

Well-presented people who enjoy helping others are encouraged to join in order to assist with general information about One Way Church. This would include providing administrative support on Sundays for the various ministries at One Way.

SERVING

- RESOURCE CENTRE

Friendly, organised people who are interested in helping people to equip themselves with books and other resources to enrich their spiritual growth.

MID-WEEK MINISTRIES

- Design & Copy

Graphic design communicates our vision and values. People gifted in design are encouraged to be a part of this ministry. Furthermore, people gifted with wording (copy) are also encouraged to sign up. Previous design experience would be beneficial. The opportunity for skill development also exists in this ministry.

- Administration

If you are able to offer a couple of hours during the week, why not consider assisting the church administratively?

- One Way Community Services

We run several social action projects through the church's NPO "One Way Community Services". Included is the running of two children's homes for disadvantaged youth: Ikageng Boy's Home and Khanya Khaya Girl's Home. This is a great opportunity to practically contribute to the betterment of our community. All assistance is welcome, no matter how big or small!

- Website

Online media is an essential part of ministry at One Way. Your skill in the area of web design and administration will contribute greatly to the overall ministry at One Way. Although opportunity for skills development exists within this ministry, prior web design and administration experience would be beneficial.

- Audio Visual

Creative and enthusiastic people are encouraged to get involved in the movie making process at One Way. This includes videos, announcements and promotions. Opportunities include presenter, filming or editing. This is another great 'serve and learn' ministry.

SERVING

- General Maintenance

An opportunity for the more practically inclined to assist the church in upkeep and general maintenance.

- Computer Maintenance

People with both hardware and software computer skills are able to practically contribute by providing support for the various networks and IT-related structures running at the church.

- Special Projects & Events

One Way is continually embarking on special projects and events, such as our Sisterhood evenings and our annual Seeing Beyond conference. Your administrative or creative skills will greatly contribute in making these a success.
